Next Generation Support for Pivotal

Customer success is our #1 objective, and that's why we've improved our support model to ensure you maximize the value you achieve from your Pivotal solution. We know one size doesn't fit all - we have expanded our support program to offer several options so you can select the tier which maximizes value for your business. Most importantly, all of our support tiers now include the Avolin Prime program, which provides low to no cost access to a carefully selected range of additional solutions that can help you scale your business, launch new initiatives and reduce technology expenses.

Platinum

The complete concierge-level support package to help you get the maximum value from Pivotal.

Gold

An advanced support structure with a range of benefits to help meet your needs quickly.

Standard

A foundation that allows you to raise tickets, access our knowledge base and access available software updates.

Platinum

Avolin's Platinum Premier Support tier is the preferred option for customers that want to get the most from their Pivotal solution. With Platinum, you'll receive industry-leading assistance from Avolin's teams and a range of exclusive benefits including access to the very latest solution features, always-on 24x7 support and prioritized response times within 1 hour.

You will have complete access to the full support suite whenever you need it, keeping your critical systems finely tuned to work even harder for your business. All delivered with clear pricing predictability over the term of your agreement with us.

Why Choose Platinum?

Highest Priority:

Receive the highest level priority on all support requests such that your issues are triaged with priority over those of other non-Platinum customers. You'll get VIP treatment and the fastest response time with your Platinum subscription. Our support team will get straight to your ticket and respond to you within 1 hour.

Customer Success Management:

The Customer Success Management team will be your champions. With our Platinum tier, they will work closely with you to provide regular, comprehensive account assessments to maximize the value of your solution. You can also take advantage of an upgrade to the latest and greatest version of your solution performed by Avolin specialists once yearly, as well as monthly business reviews and quantifiable success plans to help you achieve your goals.

Avolin Prime:

Avolin Prime is an exciting new program that gives you low to no-cost access to additional software applications that can help you scale your business, launch new initiatives, and reduce technology expense. Prime is a valuable and tangible token of our appreciation for your continued partnership with us.
